San Francisco Bay Area

Experience

Google

Technical Recruiter Google Cloud
June 2017 - Present
San Francisco Bay Area

Apigee

Recruiter
February 2016 - May 2017 (1 year 4 months)
San Francisco Bay Area

We are Apigee, and we are the API company. Our mission is to make every business a digital business. From healthcare to retail, small businesses to the Fortune 100, we aim to have a transformative impact on companies of all sizes and industries.

Tata Teleservices Ltd

2 years 6 months
Lead Talent Management
April 2008 - November 2009 (1 year 8 months)
J&K , India

Worked as an integral part of the Circle Launch In J&K. Having to launch services in the circle , had an opportunity to work across all major HR verticals like Performance Management , Recruitment , Learning & Development and Employee Engagement & Communication. Helped me to have a deep understanding and hands on experience into intricacies of Human Resource.

HR Generalist

June 2007 - March 2008 (10 months)
Lucknow , UP

Campus recruited from my MBA program , I joined the circle as a Trainee in HR. Having to understand how HR works in a location of 350 + employees was challenging and rewarding . Helped to lay my foundation in basic HR functions like recruitment , operations and employee engagement.
