# Hardy H.
technical-oriented data enthusiast
San Francisco Bay Area

## Summary

As a technical-oriented data enthusiast with solid experience in
engineering and program management, I am currently working as
a Product Quality Manager using engineering knowledge and data
analytic/machine learning tools to fulfill business and quality goals.

"Your work is going to fill a large part of your life, and the only way to
be truly satisfied is to do what you believe is great work. And the only
way to do great work is to love what you do." ---- SJ

## Experience

**Apple**
Product Quality Manager
2018 - Present
Cupertino, California

Manage programs in design to engineering, production and system hw/sw
quality control.

**Boston Scientific**
Design Quality Engineer
2014 - 2018 (4 years)
San Francisco Bay Area

Medical device design and system hw/sw quality control.

**St. Jude Medical**
Design Quality Engineer
2013 - 2014 (1 year)
Greater Los Angeles Area

Medical device design and quality control.

**University Hospitals**
Research Assistant
2011 - 2013 (2 years)
Cleveland, Ohio Area

Parallel imaging data acquisition and image reconstruction algorithm design.

---

## Education

Case Western Reserve University
Master of Science (M.S.), Biomedical Engineering/Medical Imaging

Case Western Reserve University
Bachelor of Science (BS), Biomedical Engineering /Medical Imaging

International Technological University
Master of Business Administration (M.B.A.), Business Administration and Management
